

General Topics in SNS Literature

- Theoretical
  - Mobile social networking theory (Lugano, 2008)
  - Research ethics in the myspace era (Moreno et al., 2008)
  - Ethics of Harvard FB data set (Zimmer, 2009)
- Definitional
  - 3 Elements of SNS (Boyd, 2006)
  - B+E Overview and definitions (Boyd & Ellison, 2007)
- Libraries and Information Services
  - FB& Libraries (Charnigo & Barnett-Ellis, 2007)
  - Reaching students with FB (Mack et al., 2007)
  - Best practice for Library FB use (Miller & Jensen, 2007)
  - FB use in health science libraries (Hendrix et al., 2009)
  - What happens when facebook is gone? (McCown & Nelson, 2009)
  - Web 2.0 in libraries (Aharony, 2009)
  - Facebook as a social search engine (Scale, 2008)
  - Survey of student opinion of Library FB use (Connell, 2008)
- Policy
  - The Byron report (Bryon, 2008)
  - ENISA report (Hobgen, 2007)
  - Recs from the Macarthur project (Ito & al., 2008)
  - Safety recs from Berkman group (Palfrey & al., 2009)
- Field-specific
  - Horizon report - documenting SNS and tech use on Campus (Gonick, 2008)
  - Pew: Teens and social media (Lenhart et al., 2007)
  - Teens and online privacy (Lenhart & Madden, 2007)
  - Ecar report (Salaway et al., 2008)
  - Generations online in 2009 (Jones & Fox, 2009)
  - US college students internet use (Jones et al., 2009)
  - Adults and SNS (Lenhart, 2009)
  - 2009 Horizon report (Gonick, 2009)
  - Ofcom Report (Blake, 2007)
  - Pew: Online identity (Madden et al., 2007)
  - Evaluation of recommender services in SNS (Spertus et al., 2005)
  - Visualizations of SNS (Heer & Boyd, 2005)
  - Search in Social Networks (Adamic & Adar, 2005)
- Descriptive
  - Limiting impacts of privacy on adolescent development (Tynes, 2007)
  - Effect of network homogeneity on well-being (Seder & Oishi, 2009)
  - Relationship between FB use and re-enrollment in college (Kord, 2008)
  - FB use an educational implications from an administrative perspective (Silverman, 2007)
  - Facebook and educational outcomes (Pasek et al., 2009)
  - SNS as Learning Resource (Greenhow & Robelia, 2009)
  - Medical student use of FB (Ferdig et al., 2008)
- Outcomes
  - SNS and Effects for politics (Williams & Gulati, 2007)
  - FB and use in elections (Gueorgieva, 2008)
  - SNS and political engagement (Baumgartner & Morris, 2009)
  - Use of SNS during political crisis (Shaheen, 2008)
- Techno-social
  - Perception based on profiles (Gosling et al., 2007)
  - Effect of FB profile on teacher perception (Mazer et al., 2007)
  - Using taste data to predict social outcomes (Liu, 2007)
  - Deceptive behavior in SNS (Lewis & George, 2008)
  - Deception and authenticity in myspace (Sessions, 2009)
  - Religiosity as a mediator in disclosure (Nyland & Near, 2007)
  - Warranting theory in Facebook (Walther et al., 2009)
  - Extending Donath's signaling Framework to SNS (Donath, 2007)
  - Relationship between cues and perceptions (Walther et al., 2008)
- Identity
  - How identity and place are realize in SNS (Goodings et al., 2007)
  - Construction of Identity is "Conversational" (Boyd & Heer, 2006)
  - Identity construction in Facebook (Tufekci, 2008)
  - Performance of identity in soc nets (Pearson, 2009)
  - Content analysis of identity construction in Facebook (Zhao et al., 2008)
  - Written construction of identity in FB (Perkel, 2006)
  - What do public friend lists mean? (Donath & Boyd, 2004)
  - Implications for identity when displayed publicly (Boyd, 2004)
- Construction of Identity
  - Perception of Identity
  - Construction of Identity
  - Socio-technical interactions
- Communication and Relationships
  - Outline the directional nature of Friendship in FB (Lampe et al., 2006)
  - Ethnographic analysis of relationship formation in SNS (Dwyer, 2007)
  - Using SNS Data to model friendship formation (IRL) (Mayer & Puller, 2008)
  - Predicting tie-strength in SNS (Gilbert & Karahalios, 2009)
  - Relational formation in Last.fm (Baym & Ledbetter, 2009)
  - Friendship recommendation in SNS (Chen et al., 2009)
  - Large-scale data analysis of friendship formation in Myspace (Thelwall, 2008)
  - Relationship between content and relational formation (Lampe et al., 2007)
- Relational Outcomes
  - More FB Use: More Social Capital (Ellison et al., 2007)
  - Social capital divide in Myspace (Pfeil et al., 2009)
  - Positive relationships between college student facebook use and social capital measures (Valenzuela et al., 2009)
- Enacted Relationships
  - The contextual meaning of Friendship in SNS (Boyd, 2006)
- Mass-communication
  - Uses messaging behaviors to model temporal flows (Golder et al., 2007)
  - Language analysis of Myspace (Thelwall, 2008)

- Privacy
  - Qualitative
    - Boundary management in SNS (Hewitt & Forte, 2006)
    - Exploring the "Privacy Paradox" (Dwyer et al., 2007)
    - SNS and multiple contexts (Lampinen et al., 2009)
    - Social networks at work (Skeels & Grudin, 2009)
  - Quantitative
    - Identity-disclosure in SNS (Stutzman, 2006)
    - Small study of undergrad privacy in FB (Strater & Richter, 2007)
    - Large survey of factors affecting privacy use in FB (Tufekci, 2008)
    - Analysis of privacy disclosure in SNS (Fogel & Nehmad, 2008)
    - Effect of future interaction on self-disclosure (Williams, 2008)
    - Collective privacy mgmt in SNS (Squicciarini et al., 2009)
    - Teenage information behaviors (Chai et al., 2009)
    - Privacy in Mobile SNS (Sadeh et al., 2009)
    - Information revelation on FB (Gross & Acquisti, 2005)
    - Widely cited study of undergraduate privacy behaviors (Acquisti & Gross, 2006)
    - Empirical study of factors of SNS adoption (Kwon & Wen, 2009)
    - Youth information disclosure (De Souza & Dick, 2009)
    - Disclosure and control mechanisms on Facebook (Christofides et al., 2009)
    - Use of large-scale data set to examine privacy practices (Lewis et al., 2008)
    - Qualitative analysis of Myspace (Hinduja & Patchin, 2008)
    - Looking at different types of privacy behaviors in a corporate setting (DiMiccio & Millen, 2007)
    - Data Sets (Lewis et al., 2008) The Facebook dataset from Harvard
  - Harm
    - How risky are SNS? (Less than chat, etc) (Ybarra & Mitchell, 2008)
    - Risk in youth content creation (Livingstone, 2008)
    - Thiss exploring relation between disclosure and outcomes (Goldner, 2008)
    - Managing risky behavior in SNS (Mitchell & Ybarra, 2009)
    - Reducing display of health risk behaviors on Myspace (Moreno et al., 2009)
    - Display of health risk behaviors on myspace (Moreno et al., 2009)
  - Legal
    - Any reasonable expectation of privacy? (Hodge, 2006)
    - FB and social dynamics of privacy (Grimmelmann, 2009)
  - Theoretical
    - Looking at the paradoxical nature of privacy in SNS (Barnes, 2006)
    - Exploring Myspace moral panic (Marwick, 2008)
    - Privacy as illusory control (Hoadley et al., 2009)
    - SNS as participatory surveillance (Albrechtslund, 2008)
- Dynamics
  - Network compositions
    - Networks in online community (Kumar et al., 2006)
    - Study of the dynamics of Club Nexus (Adamic et al., 2003)
    - Scale-free networks (Barabasi & Bonabeau, 2003)
    - Small-world networks (Watts & Strogatz, 1998)
    - Network embedding of SNS (Thelwall, 2008)
    - Hubs and authorities (Kleinberg, 1998)
    - The web's bowtie structure (Kumar et al., 2002)
    - Information Flow (Huberman & Adamic, 2004)
  - Information Flow (Sun et al., 2009) Modeling information flow in FB news feeds
- Culture and Behavior
  - Site-specific cultures
    - Ethnography of Facebook (Boyd, 2007)
    - Identity in context: Cyworld (Choi, 2006)
    - Changes in perception of Facebook (Lampe et al., 2008)
    - Content analysis of Myspace Profiles (Jones et al., 2008)
  - Adoption
    - Differences between users of FB and Myspace (Hargittai, 2007)
    - Adoption of SNS in rural life (Gilbert et al., 2008)
    - Personality elements associated with adoption (Ross et al., 2009)
    - Teen adoption of myspacesuburban/urban differences (Zhao, 2009)
    - Factors predicting newcomer contribution in SNS (Burke et al., 2009)
    - SEM analysis of SNS adoption (Siedgianowski & Kulviwat, 2009)
    - Impact on Shyness of use of sns (Orr et al., 2009)
    - Indian students use of SNS (Agarwal & Mittal, 2009)
    - Age differences in Myspace Adoption (Pfeil et al., 2008)
  - Action
    - Factors affecting Lurking in SNS (Rau et al., 2008)
    - Convergence of SNS and gaming (Griffiths & Light, 2008)
    - Use of SNS following death of a peer (Williams & Merten, 2009)
    - Effects of regulated boundaries on tension in SNS (Binder et al., 2009)
    - Predicting sociality in FB (Zywica & Danowski, 2008)
  - Group Formation
    - Motives affecting group formation in SNS (Lai & Turban, 2008)
    - Online soc. nets in economics (Mayer, 2009)
    - SNS formation on campus (Mayer, 2009)
  - Use motives
    - Why do people use FB? (Burmgarner, 2007)
    - Why do youth love SNS? (Boyd, 2007)
    - SNS use among older people (Pfeil & Zaphiris, 2009)
    - Older users motives (Barker, 2009)
    - Relational motives of using Facebook (Joinson, 2008)
